G. A. FOCUS WEEK

The week begininning today, February 4-9, 1945, has been designated for special recognition of the Girls' Auxiliary. The local members are part of the world-wide teen age girls' organization. To create more interest and study about various home and foreign missions and to become faithful stewards is the purpose. There are G. A. in Africa, Cuba, Hawaii, Chile, China, Jap an, and other countries and they are sponsored by the Southern Baptist Convention.

We are glad to recognize our G. A. this morning. We have 15 members in the junior group and the Intermediates comprise eleven. Any girl between the age of 9 and 16 are invited to join. Please see the bulletin board.

YPCF

Miss Mary Finch, member of the Education Staff and superintendent of our Sunday School #3, will speak to the YPCF this evening. She will share with us some vital food for thought which has been derived from meaningful books. In the near future, she is returning to her home in Virginia.

CYF

Ruth Shiraishi reports that the CYF will feature the program on "How To Make Friends and Be One". When we go outside, what should be our approach in making new friends? Robert E. Speer says, "Jesus used His friendship as opportunities to give, not to get." Be sure to bring your friends and "enemies". Joan Ziegler will preside.

Both groups will begin with the 7:30 p.m. songfest.

Dr. Hata Resigns

Dr. S. K. Hata, who through most of the life of this church has been Chairman of Religious Education of the Ministers Council and ex-officio General Superintendent of the Sunday School, last week resigned that office and is succeeded by Dr. W. M. Garrott. The Church owes Dr. Hata its deep gratitude for his untiring service. The new superintendent asks the prayers and cooperation of the whole Church in carrying on this vital part of its work.
